

KING PETER  
TAKES OATHKaiser William Sends a  
Cordial Telegram.

## RELATIONS ARE RESUMED

The King Grants Amnesty to All  
Political Offenders, Which In-  
cludes the Assassins.

Belgrade, June 26.—Amid great enthusiasm King Peter yesterday morning took the oath before the Skupstina. Subsequently he held a review of the troops.

Affairs under the new king seem to be progressing calmly. Reports from the country state everything there is quiet and peaceful and the people are content with the new government. The king, who has been mentioned as one not in sympathy with the new sovereign government, has sent a most cordial telegram to King Peter. He also announced today that the Austrian minister had resumed diplomatic relations with the government.

The newspapers today state the king has granted amnesty to all political offenders, under which head the officers who participated in the assassination of the late king and queen would doubtless come.

In county court here in 1894 Young was sentenced to ten years in prison for stealing a span of horses from Julius Hill of Sunderland, but he was released before his sentence expired for good behavior. It is said Young has stolen 30 horses.

## MURPHY KNOCKED OUT.

West Down Before Young Corbett of Denver in the Sixth Round.

Boston, Mass., June 25.—Young Corbett of Denver knocked out Hugh Murphy of New York in six rounds at catch weights at the "Ammany Athletic club in this city tonight. The contest was witnessed by upward of 3,500 people.

Corbett nearly finished his man in the first round flooring him twice in quick succession. Murphy's pluck prevented a knockout for he crawled to his feet each time, much to the delight of the audience. The Denver boy's inside fighting was superb and he slashed with both hands with telling effect. In the fourth round only Murphy outpointed Corbett, and then he made things look a little doubtful. Jack Smith of Boston was referee.

## THE LYNX AS A PET.

Ludlow Woman Has Three Little Ones.

Ludlow, June 25.—Mrs. Charles Sumner of this town has some novel pets in the shape of three lynxes, less than two weeks old, which she captured in the woods near here a few days ago.

Mrs. Sumner was proceeding through the woods with her young son when suddenly a large female lynx emerged from the bushes near by and ran away.

Hearing the mewling of kittens in the direction from which the lynx had come, Mrs. Sumner investigated and found three kittens in a hollow log. They were then less than a week old.

Mrs. Sumner took the kittens home and they are being brought up by a domestic cat, whose own kittens had been drowned. Several good offers for the lynxes have already been refused.

The mother lynx has appeared in the vicinity of the house several times in the past few days, but always has disappeared as soon as any person came in sight.

No Further Arrests in Connection with the Recent Lynching.

Wilmington, Del., June 25.—The verdict of the coroner's jury in the case of George White, the negro who was burned at the stake, and the release of Arthur Corwell on bail, seems to have appeased the unruly element here. No other arrests have been made.

THE ROYAL  
YACHT RACESTwo American Built  
Yachts

## IN TODAY'S KIEL RACES

The Kaiser Sails His American Built  
Boat, Prince Henry Sails Another.  
Their Guests.

Kiel, June 26.—The Kaiser and his brother, Prince Henry, sailed against each other in today's regatta. The race was for the cup offered by J. Pierpont Morgan and was between the Kaiser's American built yacht Meteor, and the Empress Induna. The Kaiser sailed his own boat and Prince Henry was at the wheel of the Induna. A stiff breeze was blowing at the start.

Another interesting race is between the Comet, originally the cup challenger Thistle, and the Navahoe, the first big yacht designed by the Herreshoffs.

The Empress is sailing on the Induna while Admiral Cotton is the Kaiser's guest aboard the Meteor. Ambassador Tower was also invited to sail aboard the Kaiser's yacht but declined as he is subject to seasickness.

The Meteor won the race for the Morgan cup. The Comet beat the Navahoe.

## SOLD LIQUOR ILLEGALLY.

Henry Peters the First Person to be Convicted Under New Law.

St. Albans, June 25.—The first case of a person being prosecuted for the illegal furnishing or selling of liquor under the present license law in this city was that of Henry Peters, who was yesterday convicted by a jury and sentenced to not less than three nor more than five months' imprisonment in the house of correction at Rutland. Peters procured liquor for persons who have been posted at the different saloons and could not procure it for themselves.

The trial was not a lengthy one, the state introducing two witnesses, one of these a most unwilling one from whom testimony had to be dragged as teeth are pulled. The defense introduced but one witness, Peters himself, who swore he did not know the men were posted and had only given them one drink. He admitted that he had given them one drink. This is the first time in the past two years at least that a man has been convicted before a jury in this city of selling or furnishing intoxicating liquor and as the prosecuting attorney, S. W. Flinn, said, shows conclusively that the sentiment of the public is back of the effort to enforce the new law.

dence in Other Cases

## TO BE PRESENTED SOON

Another Special Attorney Appointed  
to Assist the Govern-  
ment.

Washington, June 25.—Postoffice inspectors are gathering evidence in at least six or seven cases of alleged fraud against the postoffice department, which will be presented to the grand jury as soon as the government officials are satisfied they have a strong enough case to obtain indictments. These cases have come to light since the recent investigation into postal affairs has been under way. It is impossible to obtain any information as to the identity of the persons whose acts are being investigated.

The president's interest in furthering the prosecution of the guilty parties was manifest in a long interview he had today with Attorney General Knox who called with Holmes Conrad, formerly Solicitor of the department of justice, who has been appointed one of the special attorneys to assist the government in the postoffice cases. The president has made himself familiar with the condition of affairs as developed by the investigations thus far and expressed his earnest desire that the guilty parties be brought to justice.

Pretty Church Wedding at Sherbrooke on Tuesday.

The Sherbrooke Daily Record of June 24 gives the following account of the marriage of Rev. W. A. Morrison, until recently pastor of the Presbyterian church at Graniteville:

St. Andrew's Presbyterian church was the scene of a charming wedding, last evening, when Miss Helen Rankin Shearer, eldest daughter of Rev. William Shearer, pastor of the church, was united in marriage to the Rev. William A. Morrison, B. A., of Dalhousie Mills, Ont. The church was artistically decorated with quantities of ferns, daisies, and other early summer blossoms, the front being a mass of pink bloom, and was filled to the doors with interested friends of the bride and the family of the pastor.

The ceremony was performed by the Rev. Mr. Shearer, assisted by the Rev. T. B. Brown, pastor of the Baptist church. The bride's gown which was extremely pretty and becoming, was of white silk muslin over white satin, with trimmings of lace and ribbon. The long tulle veil fell from a half coronet of orange blossoms, and the bouquet was of white roses. Miss Hattie Hutton (Richmond), the maid of honor, wore white organdie trimmed with lace, black picture hat, with ostrich plumes and carried pink roses.

The bridesmaid was Miss Jennie K. King, Montreal, cousin of the bride, whose gown was of white organdie, muslin and lace, and pale green sash. A white picture hat, with ostrich plumes, and bouquet of pink roses, completed the costume.

The best man was the Rev. Mr. Mitchell of Barre, Vt., and Mr. James R. Shearer was groom's man. The flower girls were Misses Annie McCullough and Jennie Shearer. They were accompanied by Masters Ralph and Harold Shearer.

The bridal party entered the church to the music of the wedding march, played by Herbert Sampson, organist, the bride upon the arm of her uncle, John Shearer, Jr., who gave her away. The simple, but most impressive service opened with the wedding hymn, "The voice that breathed over Eden," and closed with "O Father, all-creating," beautifully rendered by the choir.

Mendelssohn's wedding march was played and the bridal party, which consisted of the immediate relatives, the Rev. T. P. Brown and Mrs. Brown, Rev. P. L. Richardson, Rev. F. G. Day, Mrs. Day and the ushers returned to St. Andrew's Manse, where an informal reception and light refreshments were served. The wedding presents included silver, cut glass, china and more homely but not less valuable articles of household furnishings.

The Rev. Mr. and Mrs. Morrison left by the Boston & Maine for a brief wedding trip, after which they will take up their abode at the Manse, Dalhousie Mills, Ont.
